SUBJECT: List of Recurring Academic Contacts

1. The Agency's Academic Coordinator has asked the Office of Training and Education to compile a list of individuals from academia who are, or have been, frequently utilized for our internal courses or who have been regularly consulted on substantive matters. The data we provide will become part of a central file being established for the Agency by [Redacted]. The existence of such a file will be useful to OTE, and we want to cooperate fully in its establishment.
